RAISING STRONG & RESILIENT CHILDREN

.....

The earliest years of life are a time of incredible growth. Good health, secure and stable families, and positive early learning experiences help foster a child's physical, intellectual and social emotional development. Learn how everyone can have a role in raising strong and resilient children, even during times of stress and challenges.

.....

**A light dinner will be served.
No child care is available.**

RSVP via email to sandra.gregory@dcsdk12.org
no later than **Monday, Feb. 10**, if you plan to attend
or call 720-560-7300 if you have questions.

Early learning professionals will receive 2 clock hours for attending this educational presentation.
