

CONSIDER JOINING MENTAL HEALTH COLORADO'S 'EXPERTS BY EXPERIENCE' ADVISORY COMMITTEE

The purpose of this committee is to provide feedback on Mental Health Colorado's policy work to help inform Mental Health Colorado's continuing efforts as a consumer advocacy organization to support policies through the lens of people with lived experience.

ABOUT THE COMMITTEE:

- The committee is a group of **individuals with living/lived experience** with mental health and/or substance use conditions
- Members **must be ages 12 and older**
- Members **must participate in monthly meetings** remotely starting in January 2024
- Members are **required to disclose any potential conflicts of interest** (i.e. work for a mental health/substance use provider, etc.)

We encourage individuals with diverse backgrounds and experiences, racial and ethnic backgrounds, and geographic locations to apply.
