

ANANEO

Luke Gregory

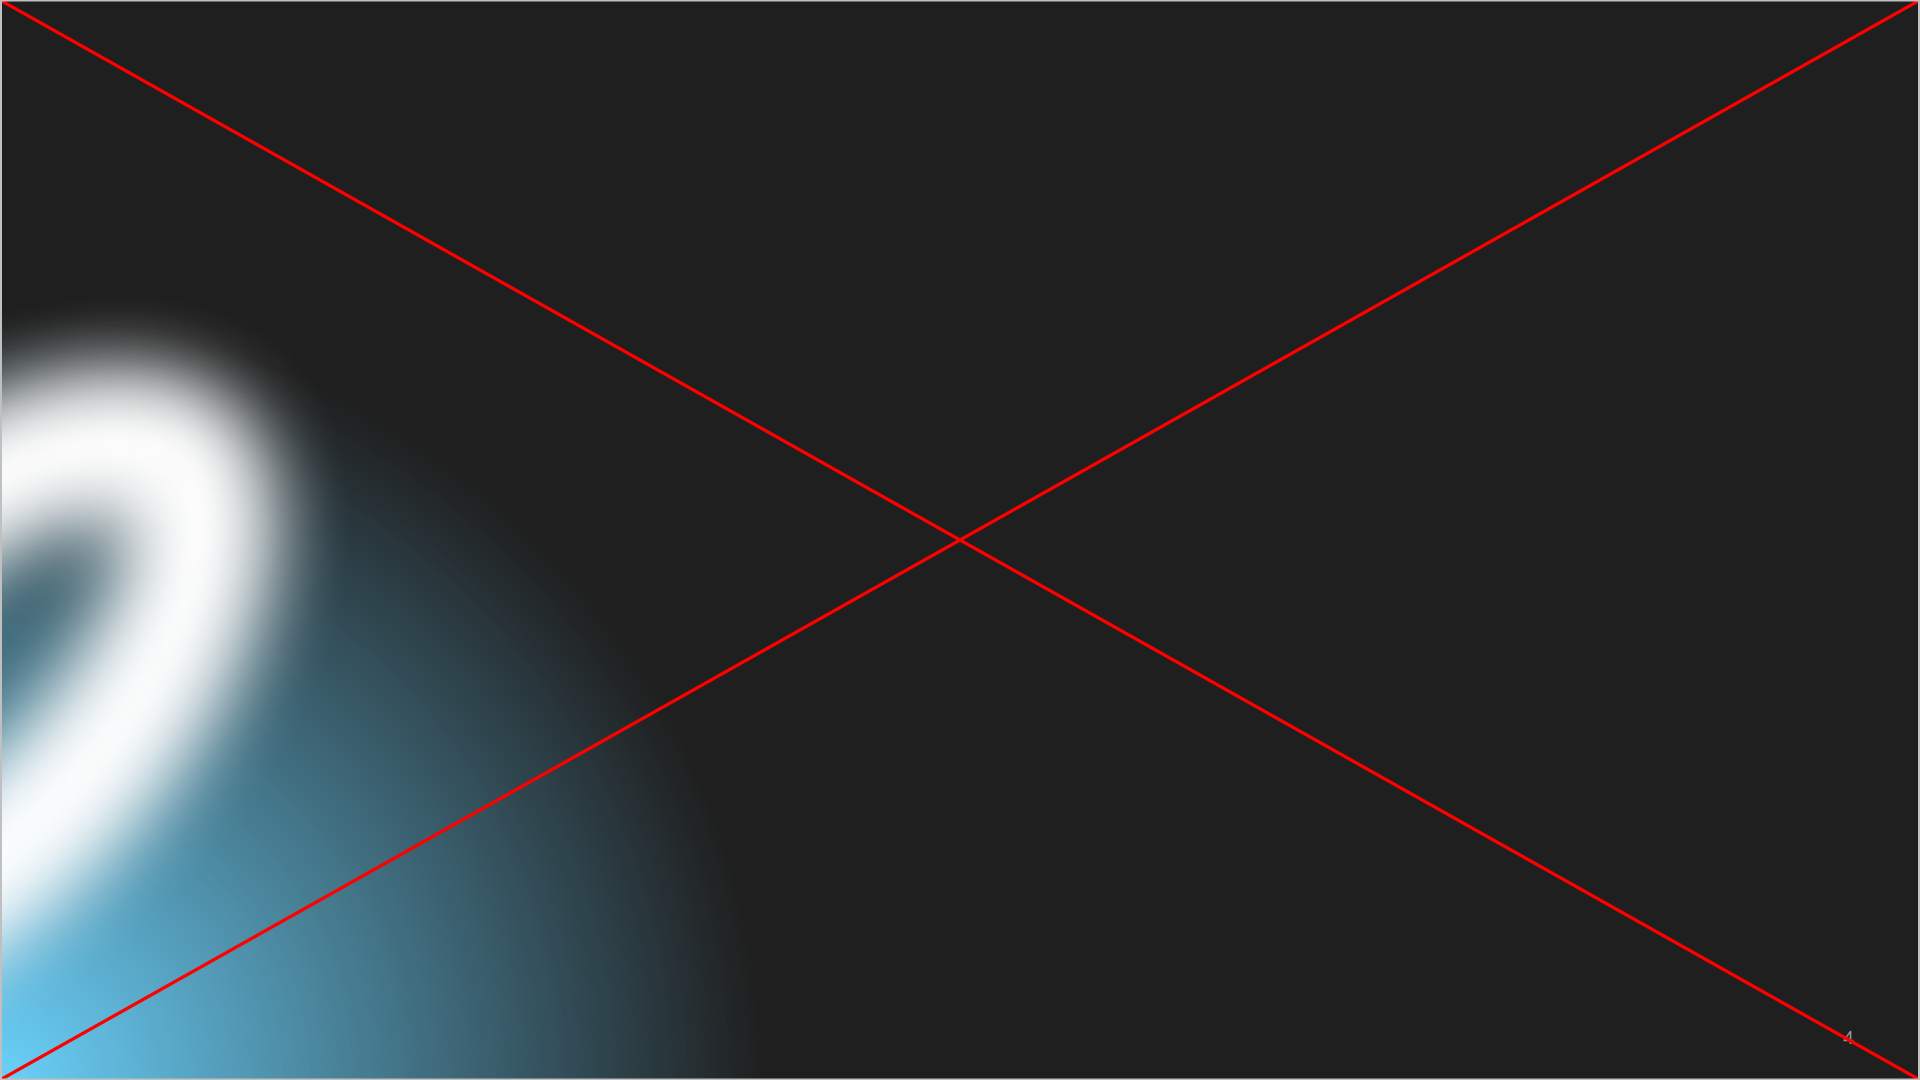

Co-Owner/ Co-Founder

Ananeo means “to renew”. Our centers provide a fresh start in life for community members to restore and redeem their story. By providing community living apartments alongside a continuum of resources and care, Ananeo believes anyone can start over and build a life worth living.

Sometimes we must see it in our surroundings before we believe it in our hearts. Ananeo seeks to ensure every human being, regardless of their past, receives the dignity and opportunity that they deserve.
