

School Mental Health Community of Practice

2026–2027 School Year

*Advancing School Mental
Health in Colorado*

Facilitated by Sarah Younggren, LCSW

Join us for the 2026–2027 Community of Practice.

The Community of Practice (CoP) brings together school professionals and community members from all regions of Colorado to engage in shared learning, conversation, and collaboration as we advance school mental health best practices that are known to work in our local communities.

Session topics are informed by participant feedback and interest. Participants include school staff and leaders, mental health professionals, community members, and school mental health champions.

Please share this with others who may be interested.
We hope you will join us this school year!

VIRTUAL CoP SESSIONS

Dedicated to enhanced learning, networking, and sharing of successes and challenges.

2nd Wednesday
of the month
10:00–11:30am
September, October, November,
